

QUALITY ASSURANCE ANTI-BALLISTIC

Anti-ballistic vests, trauma plates and helmets supplied by MSS Defence are manufactured in China. The manufacturer is active since 1995 and has ISO, Bureau Veritas and SGS

certifications. The company has representations in more than 50 countries. Products are formerly tested and certified by H.P. White Laboratories and currently by CNAS and ILAC accredited laboratories in China.

Materials:

- Vest Cover: 1000D Polyester
- Vest Inserts Protection level NIJ IIIA: Tac-Tex UHMWPE (ultra-thin series)
- Helmet PASGT Protection level NIJ IIIA: Tac-Tex UHMWPE
- Trauma Plates Protection Level NIJ IV (stand-alone): Tac-Tex UHMWPE and Alumina Ceramic

MSS Defence works directly with the factory resulting in affordable pricing and short lead times. Supplied products are white labelled (non branded)
